

Work Health and Safety Policy

Inflatable World acknowledges both the moral and legal obligation to protect both employees and non-employees (including contractors, visitors and members of the public) against risks to their health and safety whilst at work and at Sports Stadiums in which our equipment is being used.

Inflatable World shall demonstrate our due diligence in relation to ensuring the health and safety of persons who use our plant. We have a committed and proactive approach toward managing risk, so far as is reasonably practicable, through the provision of safe inflatable structures at Sports Stadiums.

Inflatable World understands that all persons, irrespective of position, have a role to fulfill in preventing persons being exposed to risk.

To this end, Inflatable World shall:

- Develop and implement effective procedures to systematically identify hazards, assess risks and eliminate or control risk to the lowest level reasonably practicable;
- Provide suitable mechanisms to consult with Centre Manager and their staff regarding work health and safety issues specific to our inflatable structures;
- Communicate with Centre Managers and our workers about work health and safety, including changes, improvements and opportunities to minimise risk;
- Develop and implement systems of work that are safe and without risk;
- Monitor premises to ensure they are safe and without risk to health that provide adequate facilities for the welfare of employees and patrons;
- Provide and maintain inflatable equipment appropriate for Centre Managers;
- Provide adequate information, instruction, training and supervision Centre Managers, their staff and workers of Inflatable World to ensure knowledge and awareness of work health and safety matters are current and up-to-date in relation to our business practices;

Inflatable World is committed to ensuring that our work health and safety management system is implemented and complied with at all times, and is reviewed annually as part of our continuous improvement program.

Monitoring and reviewing performance indicators on a monthly basis enables Inflatable World to measure the effectiveness of our work health and safety management system. Regular audits shall be undertaken to ensure our systems meet legal requirements and areas for improvement are identified and rectified accordingly.
